FROM THE HONARARY SECRETARY'S DESK

Thankyou for giving me this opportunity to work for IADVL KN. I got the opportunity to start 3 unique activities during my tenure.

First was "Yathartha" – an academic journey towards truth and reality was started with the intention of involving Dermatologists from all over the Karnataka and platform for practicing Dermatologists.

Second was "KALIKE" - learning continues... mainly for the Dermatologists to upgrade the existing skill.

Third was Derma Hour and Derma talk which were videos prepared for the patient education. Hope all these activities are continued and nurtured in the future too.

IADVL brand building was done by the EC which was a step against anti-quackery.

IADVL KN programs like MIDCUTICON Hampi, RESICUTICON at Gulbarga were held successfully.

I thank all the office bearers and my seniors for their guidance and support.

I congratulate the editorial team of Dermapen for bringing out another newsletter of IADVL KN.
